ICCC Business Mission to India 2015

January 6 – 13, 2015

Gandhinagar, Ahmedabad, Jaipur & New Delhi

Canada India bilateral relations are on upward trajectory for over a decade. Prime Minister Harper had three and a half years ago made the important observation that as “Canada and India develop strategic partnership, the contributions of Indo-Canadians will remain invaluable”.

Inspired by this, the Indo Canada Chamber of Commerce (ICCC) has been methodically and assiduously working to engage Indo Canadians for enhancing economic partnership between Canada and India. With trade representing 60 percent of the Canadian economy, increasing trade and commercial relations with India is an important factor in Canada’s economic growth.

The visit of Prime Minister Harper and other federal ministers to India has helped in accelerating economic relations with India. According to the Global Market Action Plan released by Minister of International Trade some months ago, India is a priority country for Canada for developing long term business relations to benefit both the countries.

Food security, education, energy security, infrastructure, information technology, are some of the important areas where both the countries are exploring joint opportunities for strengthening cooperation.

In this context, the Indo Canada Chamber of Commerce (ICCC) released its Report on **“Unlocking the Potential of Canada-India Partnership: Present Initiatives and Future Agenda”** a few weeks ago. The ideas, suggestions and recommendations contained in the Report serve as a guide for its members and other interested stake holders for making their contribution to the building of sustainable, strategic and comprehensive partnership between two countries. The Report also points out the tremendous opportunities for mutual learning and mutual advantage in a closer Canada-India partnership involving businesses and governments at all levels.

In the light of the expected conclusion of negotiations on Comprehensive Economic Partnership Agreement (CEPA), the ICCC is leading a business delegation to India from January 6-13, 2015. Which coincide the visit of Hon’ble Deepak Obhrai, Parliamentary Secretary to the Minister of Foreign Affairs who will be representing the Minister of Foreign Affairs at Vibrant Gujarat 2015.

The organizers have drawn up for members of the delegation a full program, including networking events, policy discussions and participation in the Pravasi Bharatiya Divas 2015 in Gandhinagar and the Vibrant Gujarat 2015. The members of the delegation will also be visiting Jaipur and New Delhi.

Highlights of the Program

The program includes meetings and discussions with influential trade bodies, such as the Confederation of Indian Industry (CII), India-Canada Business Chamber (ICBC), Federation of Indian Chamber of Commerce and Industries (FICCI), Federation of Rajasthan Trade and Industry (FOR-

TI) etc., Gujarat Chamber of Commerce & Industry (GCCI). In addition, the President of ICCC and delegates will be meeting the business leaders & decision makers in all the cities. Meetings with these organizations will take various formats – including conferences, seminars, B2B meetings, networking receptions, luncheon roundtables and briefings – to offer the delegation valuable opportunities for business connections with Indian companies represented by these organizations.

PBD2015-India Convention

The members of the delegation will also be attending the annual Pravasi Bharatiya Divas in Gandhinagar which is an important event for networking and information about Indian economic initiatives. PBD 2015 will mark the Centenary year celebrations of the return of the greatest `Pravasi` of all, Mahatma Gandhi from South Africa. The mega event will highlight safe environment for Overseas Indians for their contribution to economic growth and social development in India. Members of the delegation will thus have at the Gandhinagar PBD an informative glimpse into India's plans for future development and emerging business opportunities.

Vibrant Gujarat 2015

The members of the delegation will also participate in the Vibrant Gujarat convention in Gandhinagar. Canada is a partner country and the country seminar on Canada will be on 11th January 2015. The event is an initiative of Gujarat state for investment promotion and advancement of economic and social development. The event will provide enormous prospects to the State to display its strengths, progressive stand, initiatives, investor friendly climate and culture of Gujarat.

Meetings with Officials

In PBD and Vibrant Gujarat, delegates will also have opportunity to interact with members of chambers of commerce of other states also there. In addition to business meetings, delegates will also have an opportunity to have meetings with Canadian and Indian policy-makers. The ICCC has arranged meetings with senior political leaders, Indian government representatives, with the representatives of the High Commission of Canada in New Delhi, the Consulate of Canada in Ahmedabad. ICCC will also be holding related meetings with business and state-level officials to promote synergistic opportunities in the SMEs and the wider services sector.

The proposed program as well as information on hosting and participating organizations and description of delegates is given in succeeding pages. For more information, please contact us at indiamission@iccconline.org or at www.iccconline.org.

The automobile industry is also important to the city; after Tata's Nano project, Ford and Suzuki are planning to establish plants near Ahmedabad while the ground breaking ceremony for Peugeot has already been performed. Gandhinagar

Gandhinagar, Gujarat's new capital has emerged as one of the fastest growing regions in the country. In addition to housing it is one of the largest manufacturing bases in India, Gujarat also accounts for a disproportionately large share of the investor and entrepreneurial population in the country. Recognizing the potential of the state as a centre for the financial services industry, the government of Gujarat formulated Gujarat International Finance Tec-City Company Limited (GIFT) as a mega project to realize this vision.
